🍃 Product Manual 🍃

**Purely
Ayurvedic**

Ayu means **Life**
&
Veda means **Science**

—
Ayurveda - Science of life

Kairali Ayurvedic Group

From the accumulated knowledge of 5000 years, Kairali has perfected the science of Ayurveda - establishing the group in 1908, its first manufacturing facility in Kerala in 1948. Kairali has been propagating purest forms of Ayurveda across the globe. The aim is to preserve, improve and evolve Ayurveda for holistic living.

World Travel Awards 2016
India's Leading Spa Resort

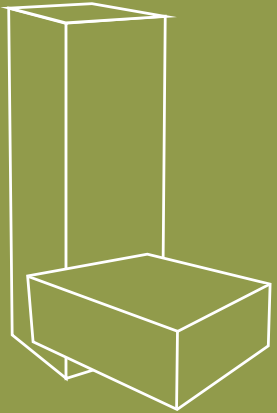

Our Retreat

The Ayurvedic Healing Village is situated in Palakkad, between Kerala and Tamil Nadu. An ideal place to be with nature and rejuvenate with natural medicine in the sweet scented forests of Kerala's Pala trees. Experience the authentic healing practices of ancient India, while relaxing in the lap of modern holistic luxury.

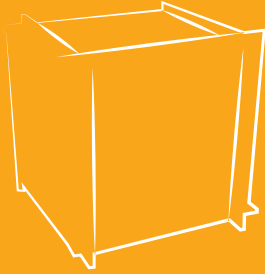

Kairali Products

Kairali Ayurvedic Products Private Limited (KAPPL) has over 100 years of experience in practice & research of Ayurvedic medicines and over 7 decades of modern day experience in production of traditional Ayurvedic products & formulations, KAPPL has built a credible business record in manufacturing and marketing of Ayurvedic products, medicines & equipment. The group has with time earned the trust and confidence of a large number of corporations & groups in India and abroad - attributed to its quality & results - supported by its trained and qualified workforce & GMP certified production centres.

Books

Over 100 years of Heritage
& Tradition Simplified

 Our published Ayurvedic herbal massage and cookbooks are written by our founder and managing director, Mrs. Gita Ramesh, comprising a wide array of traditional recipes and herbal massage therapies.

 Books

The Ayurvedic Cookbook

This book translates ancient knowledge into a practical, easy- to-follow guide with simple healthy Ayurvedic recipes.

 By Gita Ramesh

Ayurvedic Herbal Massage

An easy-to-do self massage programme that brings to you the oldest known therapies for rejuvenating the body, toning the muscles, improving blood circulation, repairing worn out tissues, removing toxin and knocking off fat.
