# LIPIDEX CAPSULES

AN AYURVEDIC PRODUCT  
FOR EXCESS WEIGHT

Extra fat puts a strain on the heart, kidneys, liver and the joints such as the hips, knees and ankles and thus, overweight people are susceptible to several diseases like coronary thrombosis, high blood pressure, diabetes, arthritis, gout, liver and gall bladder disorders.

LIPIDEX Capsules are a combination of herbal drugs which burn the EXTRA FAT. LIPIDEX Capsules reduces extra kilos and prevents obesity and associated disorders without strict exercising. LIPIDEX does not suppress appetite like other products available in the market.

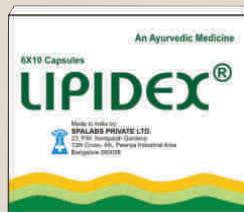

## **BENEFITS:**

- LIPIDEX HAS NO SIDE EFFECTS
- LIPIDEX HAS NO CONTRA INDICATIONS
- LIPIDEX HAS NO DRUG INTERACTION
- LIPIDEX HAS CONVENIENT DOSAGE SCHEDULE
  
- CORRECTS OBESITY & EXCESS WEIGHT
- REQUIRES NO DIETING
- REQUIRES NO EXERCISE

LIPIDEX helps without dietetic restrictions; weight is reduced gradually by 2 to 4 kgs each month, and this is maintained regardless of eating habits. LIPIDEX does not suppress the appetite and causes no untoward effects in the system; corrects iron deficiency anaemia, removes rheumatoid pains, relieves muscular weakness by improved circulation, minimises and prevents atherosclerosis and other cardiovascular complications. LIPIDEX also aids in reducing cholesterol levels, prevents lipid depositions in the arterial intima and maintains years of healthy and active living. Combats bulging abdomen and bulky waist, mostly prevalent in women after child birth.
